Cornwall Annual Dementia Conference 2026

This year's conference focuses on research, living well with dementia, and supporting carers.

The day will offer insight, inspiration and practical learning through a varied programme of expert speakers, including Professor Kevin Brazil from Queen's University Belfast on 'Integrating Palliative Care across the Dementia Journey', and Jane Howard, CEO of Arts-Well UK, on 'Creative Arts and Dementia'. Attendees will also take part in interactive workshops exploring Cognitive Stimulation Therapy, Music and Memories and more.
